

Introducing a delicious fundraiser

To my loyal donors,

I am excited to announce that the Saratoga Candy Company in the heart of downtown Saratoga Springs has generously agreed to partner with Birthright on a new fundraiser.

Treat your loved ones, friends, and yourself to homemade chocolate for Mother's Day, a birthday, thank you, anniversary gift or any other special occasion while supporting Birthright at the same time.

1 lb box of assorted milk & dark chocolate for \$20

Orders must be received by April 23. For your convenience, chocolate will be available for pick-up at the Birthright office or at a Birthright volunteer's home in one of the towns listed below. The volunteer will call you in advance to arrange pick-up during the week of May 2.

Thank you for your ongoing generosity, words of encouragement, and for sharing your love for life with Birthright. It is through your kindness that we continue to help the young women who call on Birthright for support.

Love,
Susan Barry, Director
